

## New Opportunities

- **Brand new Emergency Department facilities as part of the brand-new Calvary Adelaide Hospital due to open mid-2019**
- **Be part of a team environment with a focus on customer service within a new 22 bed ED**
- **Attractive remuneration with full-time and part-time positions available**
- **Flexible scheduling with a great Physician Group**

Opening in 2019, Calvary Adelaide Hospital will provide the highest quality health care to private and self-insured patients. Centrally located at 120 Angus Street in the heart of Adelaide's Central Business District, its state-of-the-art facilities will be supported by Calvary's history of health care excellence in South Australia over almost 120 years.

### About the new Emergency Department

The Emergency Department will feature contemporary design and cutting-edge medical technology, whilst offering a wide range of inpatient and outpatient medical, surgical and rehabilitation services.

With the move to the new Calvary Adelaide Hospital, the Emergency Department will be doubling its capacity and will remain the only 24/7 Private Emergency Department in South Australia. The Department will be supported by 3 onsite Cardiac Catheter Labs and a Level III Intensive Care Unit.

Currently the emergency Department sees approximately 16,000 attendances per year and with a diverse case-mix excluding major trauma and major paediatric illnesses.

### The Role

An exciting and unique opportunity exists for the right candidate to be part of an Emergency Department team that strives to provide consistently high-quality person centric care to all patients. The successful

applicants will be supported by a team of professional and experienced emergency nurses who ensure patients receive the highest level of care possible.

**Key areas of focus for this role include:**

- Delivering an exceptional patient experience within the Emergency Department in accordance with Care 24-7 and Calvary's values;
- Ensuring patient flow is managed whilst providing highest standards of patient care; and
- Delivering effective cross-department relationship throughout the hospital and with management.

**What we can offer:**

- Clinical excellence in a team environment within a brand-new Emergency Department;
- Opportunity to contribute to education programs as part of the Advanced Training Program in Emergency Medicine;
- Attractive remuneration; and
- Flexibility and support.

**Skills & Experience**

To be successful in the role you will:

- Have current and relevant registration with AHPRA;
- Be a Fellow of the Australasian College of Rural & Remote Medicine (ACRRM) or Emergency Medicine (ACEM) or equivalent;
- Have contemporary knowledge of best practice medical service trends;
- Be highly accountable and demonstrate a strong, supportive and engaging work ethic;
- Be passionate about patient care and achieving high quality medical outcomes; and
- Have well-developed and effective cross-department relationship management skills.

All applicants MUST be eligible to register in Australia as a Medical Practitioner and have their own provider number.

## About the Location

Adelaide boasts some of the most scenic and exciting coastal areas of Australia in a Mediterranean climate. Affordable housing, excellent schools, and exciting scenic coastal areas, which offer a mixture of recreational activities, alfresco dining, and a great lifestyle, await the right candidate.

## About Us

[Care 24-7](#) strives to provide the highest quality 24/7 Emergency Care in Australia with a continual focus on excellence. We pride ourselves on providing health care services to our local communities in a caring environment within high standard Emergency Departments.

Our Emergency Departments are staffed by highly trained emergency physicians and a team of professional and experienced emergency nurses. We provide minimal wait times for presenting patients and have direct access to a wide range of tests, specialists and treatments.
